

# 45th Annual Meeting of the AANS | CNS Section on PEDIATRIC NEUROLOGICAL SURGERY

DECEMBER 5-8, 2016 | HILTON ORLANDO BONNET CREEK | ORLANDO, FLORIDA

The Face of Pediatric Neurosurgery | Excellence. Quality. Compassion.

You are invited to join the AANS/ CNS Section on Pediatric Neurological Surgery for its 45th Annual Meeting in Orlando, Dec. 5-8, 2016. This year's program theme, *The Face of Pediatric Neurosurgery*, explores the different roles a pediatric neurosurgeon must fulfill to demonstrate excellence, quality and compassion.

Mark your calendars for this year's meeting, **now beginning on Monday, Dec. 5, 2016.** You won't want to miss this program!

## Invited Speakers

### Raimondi Lecturer

**Jim MacPhee, Senior Vice President, Walt Disney World Parks at the Walt Disney World® Resort**

In summer 1978, Jim MacPhee began his career as an hourly cast member outside the *Magic Kingdom*. Thirty-eight years later, Jim oversees the strategic direction of Walt Disney World Theme Parks. Hear about his work perfecting the guest experience during his talk.

### AAP/Section on Neurological Surgeons (SONS) Lecturer

**James R. Doty, MD, FAANS**

James R. Doty, MD, FAANS, is a professor of neurosurgery at Stanford University and founder and director of the Center for Compassion and Altruism Research and Education. Dr. Doty will speak on teaching compassionate care in his talk, "Hacking Your Brain for Happiness".

### Special Lecturer

**Conrad E. Johanson, PhD**

Conrad E. Johanson, PhD, Professor Emeritus of Neurosurgery at Brown University Medical School will update attendees on NASA's VIIP project, which evaluates ICP and brain fluid issues in space flight.

### Special Lecturer

**Dr. Jocelyne Bloch**

The head of the functional neurosurgical unit at CHUV Lausanne University Hospital, Dr. Jocelyne Bloch, will discuss her collaborative efforts in the groundbreaking area of stem cell regeneration and brain injury repair.

# 45th Annual Meeting of the AANS | CNS Section on **PEDIATRIC** NEUROLOGICAL **SURGERY**

DECEMBER 5-8, 2016 | HILTON ORLANDO BONNET CREEK | ORLANDO, FLORIDA

The Face of **Pediatric** Neurosurgery | Excellence. Quality. Compassion.
